

1 **SUPPLEMENTAL AFFIDAVIT OF SHANE DOLPH**

2 STATE OF NEBRASKA)
3 COUNTY OF LANCASTER) s.s.

4
5 SHANE DOLPH personally appeared before the undersigned officer and after
6 being duly sworn upon his oath, deposes and states as follows:

7 1. I am a resident of Lincoln, Nebraska, over 18 years of age, and have
8 personal knowledge of the matters set forth herein.

9 2. This affidavit supplements the Affidavit dated March 24, 2010 ("March 24,
10 2010 Affidavit"), attached as Exhibit A to Catalyst Paper (Snowflake) Inc.'s Statement of
11 Facts in Support of Its Motion for Partial Summary Judgment On Issues Designated for
12 Briefing by the Case Initiation Order and Designation of Issue for Briefing (Sept. 8, 2008)
13 dated March 26, 2010.

14 3. Exhibit 2 to the March 24, 2010 Affidavit is a map entitled "Chronology of
15 Land Acquisitions by the U.S. - Exhibit 2" ("Original Map"). As described in the
16 Original Map's title and in paragraph 14 of March 24, 2010 Affidavit, the Original Map
17 depicts the chronology of land acquisitions by the United States in the vicinity of the Hopi
18 Reservation by year of conveyance. Upon further review of that map, it was apparent that
19 it contained an error that needed to be corrected.

20 4. The deed dated September 18, 1915 between the Santa Fe Pacific Railroad
21 Company and the United States of America, recorded in Navajo County, Vol. 7 of Deeds,
22 pages 514-23, and Apache County, Book 14 of Deeds, pages 462-78, disclosed at
23 FCHP00533-58, and listed in paragraph 14 of the March 24, 2010 Affidavit, was
24 inadvertently encoded as being dated in 1908. The 1908 date is incorrect. The deed is
25 dated September 18, 1915. The Original Map incorrectly marked the lands as being
26 acquired by the United States in 1908.

5. Attached as Exhibit A to this Supplemental Affidavit is a map entitled “Chronology of Land Acquisitions by the U.S. – Exhibit 2 (Revised December 2011).” This map corrects the error on the Original Map described above in paragraph 4. The lands previously listed as being acquired by the United States in 1908 are now correctly marked as being acquired in 1915. The lands acquired by the United States in the September 18, 1915 deed are east of and outside the boundary of the lands included in the Executive Order dated December 16, 1882.

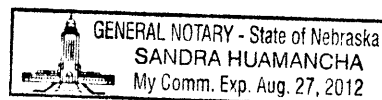

6. No other changes were made to the Original Map.
